Programme Overview:

This programme aims to give those working in the area of Human Resources (HR) or moving into HR a range of practical insights, approaches and techniques to use in areas such as Strategic HRM, Performance Management, Employment Law and Industrial Relations. The benefits of a strong Talent Management approach and developing a comprehensive learning and development process ensuring the rewards system in place in your company suits the needs of all your employees will also be highlighted. Most companies have undergone or are undergoing major change processes. We will ensure clear understanding of some of the major pitfalls that may arise within the change process, and how these can be negotiated.

Programme Outcomes:

On completion of the programme, participants will be able to:

- Understand different HRM and Strategic HRM initiatives
- Develop and improve key skills to design HR processes
- Learn the essentials of Performance Management
- Have the ability to deal confidently with Employment Law issues
- Understand the benefits of Talent Management
- Improve Employee Engagement
- Deal effectively with Change Management in your organisation

Approach:

There will be a number of activities and case studies used as part of the course to ensure that skills are practiced and knowledge enhanced.

The programme is delivered by experienced Ibec Executives who provide members with advice, consultancy and training on a daily basis. Programme participants are encouraged to express their views and experiences. Real life case studies and exercises will be used to ensure a practical understanding of each topic.
